

February 4, 2016

Hello everyone: Ahh! The weekend is just about here. What does the weatherman is guessing for us on the extended forecast. Friday: Partly Cloudy, 49 degrees, about 10 mph winds NNW. Saturday: Mostly Sunny, 51 degrees, 3 mph winds SE. Sunday: Mostly Sunny, 49 degrees, 7mph winds NNE. So, there you have it! If this is correct, Saturday and Sunday do not look too bad!

JOE NALL WEEK 2016: May 7 to the 14, 2016. Registration is open. (<http://www.tripletreeaerodrome.com/joe-nall-week.php>). Like every year past, JT and I will go there and establish RAMS Base by the electric flying field. The Joe Nall is the event to go if you are into the RC Flying hobby / sport. Everything there is about technology, new products and demonstrations of flying skills and equipment. It is a crowded event indeed with about 1,700 pilots registering and tons more spectators. The event takes place at the Triple Tree Aerodrome in Woodruff, South Carolina. The place is just gorgeous. It is a great event to meet new pilots from all over the world and the US. A great time to meet with friends we have made on previous years. Going there and spending a few days makes a great vacation. If you can only go for one day is still well worth it. We are looking forward to the Joe Nall 2016.

See you at the field and have safe fun flying!!!
