

October 10, 2016

Hello everyone: First of all, I hope everyone is fine after the hurricane this weekend. JT, Gary and I were at the RAMS Field yesterday to check on things. Everything is fine there. JT and I actually flew a little bit taking advantage and play with the wind conditions and the afternoon was just beautiful with blue skies and nice temperatures. I hope everyone has a great week.

You can buy as many as you want of either style while supplies last. We are planning to have plenty for sale at the RAMS CLUB NOVEMBER MEETING, but you can ask JT or me (Dr. Joey) when you see us at the field.

That is all. See you at the field and have safe fun flying!!!
